Training Calendar

Rehabilitation & Return to Work Coordinator Training

Every organisation with more than 30 employees must appoint and train a Nominated Rehabilitation and Return to Work Coordinator in 2009.

Corporate Health Group is a WorkCover registered training provider.

Our training courses for 2009 are listed below. Additional courses can be provided as necessary.

What training are *you* required to do ?...

Your Base Levy defines what level of training you must undertake :

- Level 1 : If your base levy is less than 4.5%, you only need to undertake Level 1 Training which is Day 1 only, \$400 including GST
- Level 2 : If you are self insured, or your base levy is more than 4.5%, you must undertake Level 2 Training which is the full 3 day course, \$725 including GST.
